How does it work?

Retargeting uses cookies to track visitors of one website and then reach those same visitors with ads on other websites. Now you can retarget and advertise directly to Canada's pet business sector.

Quality Audience

Our readers and website visitors are from the pet industry:

- Boarding Kennel
- Breeder & Groomer
- Non-profit organizations
- Pet sitter/walker
- Pet trainer
- Veterinary clinic/hospital
- Retailer with animals
- Retailer without animals
- Distributors
- Livestock Dealers
- Manufacturers
- and more...

PIJAC Canada Overview

The Pet Industry Joint Advisory Council of Canada provides leadership and communication between all sectors of the pet industry through resources, professional events, and advocacy to promote the highest level of pet care.

To be the leader in the advancement and development of a vibrant pet industry, working together for the well being of pets and their families.

We have a commitment to respectfully collaborate with stakeholders for the advancement of animal well-being and a healthy pet industry.
